

HEALTH ADVISOR OF THE HOUSE

March 27, 2022

DECLARATION 221-04

WHEREAS, I issued Deceleration No. 221-02 on February 7, 2022 which declared a Health Emergency in the House.

WHEREAS, I renewed Deceleration No. 221-02 on March 6, 2022 (*see* Deceleration No. 221-03) and is currently set to expire on April 7, 2022; unless renewed by me again.

WHEREAS, I issue this Deceleration to add additional health directives in order to reduce the spread of disease and shall be in force immediately and shall be set to expire in thirty (30) days from the date of issuance; unless renewed by me again.

Resolved, that under HCC § 4-2-3(c) (2021), Members of the House shall take actions necessary to limit the spread of COVID-19; which shall now include the requirement of a medical facial covering (surgical, KN95, or N95) if one of the following is met:

- The individual presents symptoms of COVID-19, regardless of a negative test
- The individual is a close contact of someone positive with COVID-19
- The individual is recovering from COVID-19 and be considered as such for 14 days.

Resolved, that this Deceleration shall be concurrent to Deceleration No. 221-03 in respect to directives.
