

HOUSE of
COMMONS

SELECT COMMITTEE

To Investigate House Renovation Practices

MONEY THAT WE ARE COLLECTING

Labor

The Select Committee will get two (2) estimates of work the Mr. Neal did. That will be subtracted from the ATM Withdrawals.

The difference is what Mr. Neal owes.

Menards Costs

Using Menard's Records, any amount that Mr. Neal spent that was:

- A) Personal/Unrelated;
- B) Tools we did NOT get back; and
- C) Collected Rebates

will be what Mr. Neal owes.

Re-doing Work

George said the work was up-to-code, however, evidence suggest that some work was not. That would be considered fraud.

Mr. Neal will owe any and all amounts of work that must be re-done.
