

AN AMENDMENT TO BE OFFERED BY LEO CAVINDER TO HR 10

AMEND-03 Add the following subsections to the Act in Sec. 12

(n) Subsection (b) shall not apply to those exercising the Immediate Threat standard under Section 10(e) of this Act.

(o) APPEAL WITHDRAW OF LICENSURE.—Any Member whose license was revoked shall have the right to appeal the decision with the Office of the Inspector General.

(1) MANAGEMENT.—The Office of the Inspector General shall be permitted to take all reasonable steps necessary to enact this subsection.

(2) INVESTIAGATION AND HEARINGS.—

(A) The Office of the Inspector General shall determine if it is reasonable for the Member not to have a firearm license. Should there be no just cause for the Member not to be licensed, the Inspector General shall re-instate said license.

(B) HEARING.—Prior to making a decision, at least one (1) hearing shall be conducted into the matter. The Member whose license was revoked shall state their case for why they feel that the revocation has no grounds and should be re-instated. The person who revoked the license shall also testify on why they believe there is just cause for the revocation. The Inspector General shall preside over the hearing and may ask any question in regard to the matter before them.

(i) A decision shall be issued, in writing with all conclusions based in law and fact, within forty-five (45) days after the hearing.
